

RPR Keratin Smooth & Gloss

BEFORE

AFTER - Blow dry only

AFTER - finished styling with straightener.

Come and learn about the latest in keratin technology

RPR KERATIN SMOOTH & GLOSS

The range works in synergy with the hair to reduce curl and frizz for a softer, glossy finish lasting months.

What makes it different?

RPR Keratin Smooth & Gloss Treatment has a liquid base to penetrate deeper into the hair fibres releasing more curl and at a greater level for longer lasting results. Infused with Amazonian Babacu Oil and Keratin combine to deliver silky, smooth, hydrated results with shine.

Outstanding results on coarse, frizzy, blonde or coloured hair.

WHEN: Monday 14th October 2019 | Start 9:30am till 2:00pm
